Home Based Ministry: Dilworth Lutheran Church is to strengthen and nurture faith and values in and through the home. We have come to understand that the home has a central influence upon both faith and values. Homes, more often than not, are places where relationships are nurtured and values are encouraged. For this reason our focus has shifted from a facility-based, program-centered congregation to one that focuses on the home as the primary institution for passing on faith.

We believe that parents and others in and around the home are the primary encouragers of both faith and values in children and that it is our ministry as the congregation to reinforce, not replace, their role. The goal of our teaching is to celebrate, encourage, support and equip parents and others in the home in passing on the faith.
